

Cambogia - Siem Reap (5gg 4notti)

(Activities*)

Day 1: arrival in **Siem Reap**, orientation walking tour of the city

Welcome to **Siem Reap**! Upon arrival at the airport, you will meet our English-speaking driver and tour guide, who will be waiting for you to transfer you to your hotel for check-in. You will be given some time to rest before starting our walking tour of the city at 4pm. We recommend that you schedule your arrival time as early as possible so that you can rest before the tour.

Siem Reap is developing so rapidly that it has become a great stop for tourists to explore. The city has maintained the perfect combination of modernity and tradition. What better way to explore all of this than with a local guide, eager to show you what our city looks like through their eyes? Not only will you learn a lot about this ancient city, but you'll also make friends along the way and create memories that will last a lifetime!

You will explore historical places such as the old town and, not to mention, enjoy a beautiful walk along the **Siem Reap River** with viewpoints overlooking the local Cambodian way of life. There will be a lot of photo opportunities!

Afterwards, you will enjoy the welcome dinner with creative local cuisine at **Marum Restaurant** (Marun is an NGO that has worked with street children and other marginalized young people).

Optional activity: Phare Circus - \$ 18

If you're not too tired of jet lag, you might want to catch an evening show at **Phar Circus**, where their shows tell stories of Cambodian history through a mix of music, dance and acrobats, as well as meet talented performers.

* Dinner - Hotel 4* (City Tour and Welcome Dinner)

Day 2: Discover the ancient **Temple of Angkor**

After having breakfast at the hotel, it's time for the main event: a guided tour of the unforgettable temple complex of **Angkor**.

First we will visit Angkor Wat which is the most famous of all **Angkor temples**.

The temple, built in the early 12th century by King Suryavarman II, contains three floors of libraries, galleries and towers surrounded by a thick retaining wall and massive moat.

With your professional historian guide, you will be able to discuss in detail what you are trying to achieve from your time at the temples.

Then you will head to the center of **Angkor Thom** and enter the city through the Ancient Gate, an impressive stone gate carved with elephants and four giant faces.

From here, continue to **Bayon Temple**, located in the city center and famous for the enigmatic faces representing the 54 provinces of the **Great Khmer Empire**.

The Terrace of the Elephants and the Terrace of the Leper King are also not to be missed as they are both known for their intricate bas-reliefs.

Lunch at a local restaurant for exotic Khmer cuisine.

Next, **Ta Prohm temple** is your next stop before some free time in the late afternoon.

Ta Prohm is unique in that it has largely been left as found overgrown with jungle trees and vines, with many parts of the temple crumbling to the ground, creating one of the most photogenic and striking temples in the entire **Angkor** site.

* **Breakfast – Lunch - Hotel 4*** (*Visit Angkor Wat, Bayon, and Taprohm Temple*)

Day 3: Discover **Siem Reap - Kulen Mountain**

Depart early in the morning by private, air-conditioned vehicle from your hotel in Mount Kulen. The **Kulen mountain** range rises from the lowlands 50 km north of **Siem Reap**.

Upon arrival, we will go up the slope of the mountain, visit the natural water source from the foot of the Buddha and enjoy the panoramic view, then walk through the dense forest. Enjoy the magnificent **waterfall of Mount Kulen**, after which you will visit the Hindu sculpture of the Kulen River bed, where most Khmer believe is a sacred place on the mountain.

After a refreshing dip in the water and a snack, we ride a fantastic undulating single track, consisting mostly of trails, led by a National Park ranger.

Then, you will walk through the jungle passing remote villages and see life-sized stone elephants standing serenely at **Srah Damrei**.

We will also visit the small wat which houses **Cambodia's largest reclining Buddha** before heading to the 20m high Kulen waterfall where we can take a refreshing dip before returning to the city.

** Breakfast – Lunch - Hotel 4* (Visit Thousand Lingas – Big Buddha Statue - Water Fall)*

Day 4: Explore the **Riverside Village** and **Classic Cambodian Cuisine**

Today discover the fantastic landscape of **Tonle Sap Lake**.

This is a unique experience that offers a great outdoor adventure in the **Siem Reap** countryside by exploring a **floating village** and seeing firsthand the Cambodian people's livelihoods.

We will take you to the back roads of Siem Reap to explore the local lifestyles in Siem Reap.

You will be greeted by friendly locals and have a deeper understanding of their lives and traditions.

The trip will end at Tonle Sap Lake, where you will experience the livelihoods of Cambodians living in floating villages, giving you the opportunity to see how families adapt their lives to be able to live on the water.

Return to the hotel in the afternoon. The rest of the afternoon is free.
